

# CAF Give as You Earn – Facts & Benefits

## Facts

- CAF GAYE is the UK's most popular payroll giving scheme, utilised by 70% of FTSE 100 companies.
- CAF supports over 3,000 employers with their payroll giving, helping to donate nearly £80million each year.
- CAF is a registered charity so all funds raised through GAYE are ploughed back into the charitable sector.
- All GAYE donations benefit from our robust Validation service.
- Tax effective way for employees to give as donations are coming out of their pre-tax pay.

## Benefits

- Give as You Earn makes charitable giving easy and tax-effective for everyone.
- Employee is not taxed on their donation so they can afford to give more which benefits the charity.
- Employee can support a charity of their choice by providing it with a regular source of income. This means registered charities, but also local churches, schools and local sport clubs.
- Rest assured we check that your donations will be used for charitable purposes and the organisations you support are not involved in illegal activity, such as money laundering or terrorism.
- Employees using a CAF Charity Account can accumulate money over time and make a significant contribution to a particular cause when they wish.
